Hi there,

I am chasing some information for a story I am writing about the public servant pay rise freeze announcement last week. Could you please let me know who is best placed to comment.

1. How can the State Government freeze a pay rise when a certified agreement is in place? What are

the options?

2. Following the Premier's announcement last week about the pay rise freeze for public servants, is the OIR aware of how this will roll out? Is legislation being drafted for the certified agreements already in place?
3. Is the OIR included in discussions about this freeze?
4. Any further comments you wish to add.

My deadline is 5pm today.

Thanks,
Domanii

I am chasing some information for a story I am writing about the public servant pay rise freeze announcement last week. Could you please let me know who is best placed to comment.

1. How can the State Government freeze a pay rise when a certified agreement is in place? What are the options?

a. The government is working with the public sector unions on the matter (the the IR Min and Dep Prem met with QCU last Friday is public knowledge). Bomber...

s.47(3)(b)

s.47(3)(b)

2. Following the Premier's announcement last week about the pay rise freeze for public servants, is the OIR aware of how this will roll out? Is legislation being drafted for the certified agreements already in place?

OIR is supporting the government to implement policies. Matter for Government (Cabinet in confidence)

3. Is the OIR included in discussions about this freeze?

As above.

4. Any further comments you wish to add.

No.
