Subject: Part Holiday Christmas Eve

On behalf of Broadbeach Bowls and Community Club Inc., we will be severally penalised within the atmosphere of a Xmas Holiday family destination. Families arrive on the Coast to meet other friends and families on Christmas Eve. If dinner begins at 5.30pm – we must close from 6.00pm onwards or limit the amount of service to the visitors or members with their guests.

We believe this is not fair to both our employees who join in the spirit of Christmas or 'nanny state' laws who limit visitors to enjoy our Australian festivities. We appeal to the State Government to show some decency to the Club Operators who always give our patrons and staff a fair deal.

And lastly, we had to draw a loan to support the Commonwealth Games – Is the State Government going to pay the extra costs, as we still have to pay repayments on that loan?
